

Nailtone®

Balanced Nail Strengthener

• PRODUCT DESCRIPTION

Nailtone® is a unique herbal supplement that helps maintain healthy nail structure, something of aesthetic value to many, especially women. **Nailtone®** addresses the two factors known to be associated with nail health: adequate calcium supplementation and appropriate vitaminization.

Nailtone® combines several sources of natural vitamins and bioavailable calcium for optimum results. Studies have shown **Nailtone®** to be very effective in nail vitaminization and mineralization as well as in regenerating the connective tissue of the nails.

The effectiveness of **Nailtone®** in supporting delicate nail metabolisms is enhanced by several herbs which have been shown to have adaptogenic activity.

• MAIN INGREDIENTS

Himalaya ProSelect® formulas are derived from traditional ayurvedic remedies whose key ingredients are combined to achieve safe and synergistic effects. One active ingredient may be buffered by others while certain ingredients play the role as adjuvants, by strengthening the digestive system or helping to remove wastes. Others are included to increase bioavailability and enhance absorption. No single active constituent has the broad activity of the entire plant and no single plant has the activity and safety of carefully formulated blends.

- **Arjuna** (*Terminalia arjuna*) – maintain healthy nails
- **Ashwagandha** (*Withania somnifera*) – adaptogenic
- **Guggul** (*Commiphora mukul*) – supports all connective tissues
- **Oyster Shell Ash** – natural source of assimilable calcium
