

Tentex[®] forte

Natural Male Libido Support

PRODUCT DESCRIPTION

Tentex[®] forte is a natural herbal dietary supplement that helps support a normal sex life. It is a safe, non-hormonal, sex stimulant that has been proven effective in cases of weakness, without the side effects usually associated with testosterone therapy. **Tentex[®] forte** brings about overall improvement of sexual function, helps overcome loss of libido and generally improves performance.

Age-related impotence and male libidinal hypofunction should be taken seriously as this has an adverse effect on all the spheres of a person's marital, family and social life. By ensuring a satisfactory sex life, **Tentex[®] forte** restores self-confidence and protects against the frustration, worry and stress that may result from diminished libido and sexual drive.

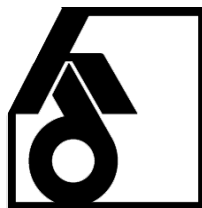

Tentex[®] forte is an effective and safe formula for all age-related sexual dysfunctions.

MAIN INGREDIENTS

Himalaya ProSelect[®] formulas are derived from traditional ayurvedic remedies whose key ingredients are combined to achieve safe and synergistic effects. One active ingredient may be buffered by others while certain ingredients play the role as adjuvants, by strengthening the digestive system or helping to remove wastes. Others are included to increase bioavailability and enhance absorption. No single active constituent has the broad activity of the entire plant and no single plant has the activity and safety of carefully formulated blends.

- **Ashwagandha** (*Withania somnifera*) - Indian Ginseng - Known for its adaptogenic and rejuvenative effect.
- **Elephant Creeper** (*Argyrea speciosa*) - Blood purifying herb and immune regulator.
- **Mucuna - Cow-Itch Plant** (*Mucuna pruriens*) - Nerve tonic also shown to be an aphrodisiac.
- **Guduchi** (*Tinospora cordifolia*) - Tonic which helps build the body's immune resistance.
- **Salep Orchid** (*Orchis mascula*) - Nerve stimulant and revigorating tonic.

☛ RECOMMENDED DOSAGE

Presentation: 50 Tablets

Directions: Take 2 tablets twice daily or 3 tablets before bedtime.

Caution: Not for use in cases of high blood pressure. Only those who take prescribed medication for blood pressure control may take Tentex[®] forte. Do not exceed 4 tablets daily. Keep out of direct light and reach of children.

☛ KEY RESEARCH

Clinical trials conducted on **Tentex[®] forte** have shown its efficacy as a good sexual stimulant. A clinical study published in Probe, Vol.XVIII, No.2, Jan.-Mar. 1979, pp.76-78 showed a group who took **Tentex[®] forte** had improved libido and sexual weakness by 84% in comparison to placebo.

Experimental studies have associated the increased libido and improved performance to the action of **Tentex[®] forte** on the hypothalamus. This action seems far superior to the mechanism of action and the effects of testosterone. In a double-blind, placebo-controlled study of men with libidinal hypoactivity, **Tentex[®] forte** proved to be very helpful and was found to be significantly superior to the placebo of counseling alone.

☛ OUR DEDICATION TO SCIENCE AND QUALITY

We are dedicated to providing safe and effective natural health products that help “defy aging” and enhance life, naturally. Our scientifically validated natural formulas come from The Himalaya Drug Company, founded in 1930 and a worldwide leader in modern adaptation of an age-old tradition.
